Lampstand Lit in Bellingham WA!

Posted January 31, 2008

EAGLES soared over us as we crossed into Whatcom County... and they were with us ever since! Jolene and I were honored to be among the time-tested, noble intercessors and leaders who gathered for the Lampstand Conference.

We don't often say this, but the CDs of this conference are a definite asset for you to advance to your future. Many significant prophetic words for the region and nation were woven into each message. To receive the conference CDs contact Diane Murr by [CLICKING HERE](#).

Will Ford taught on the Key of David (Isaiah 22:22) as well as a poignant message on the Threshing Floor and Heaven's Weeping Room (with credit and blessing to Jennifer Toledo). Jon shared on the Lampstand and Recovering Apostolic Momentum, as well as the Watchman Anointing.

And in a special session, Jon shared on a new move of the Spirit in generational healing and introduced our good friends Martin and Cindy Frankena, who are gifted by the Lord in this vital arena. Rivers merged into rushing streams in this breakthrough time!

Much gratitude and special thanks to Felix and Nikki, Dale and Diane, Elvin and Co (Remember the Shack, Papa!), Joe and Brenda (and their ever-soaring eaglets), Mom and Dad Huff, Will "Spaghetti Fast" Ford, Anita the drug-buster, Fearless

Crossing over at Releasing the River!

Posted January 24, 2008

Still searching for words to express our experiences at the ROC Church during the "Releasing the River" Conference. God brought us together across a threshold in the Spirit that I believe released a new season of awakening in the east coast. The River of God is beginning to flow! Rick and Myra we love you. And thanks to the ROC family for your embrace, your help, and your willingness to persevere until Jolene and I actually experienced the new wine of the Spirit...the best He saved for last...top shelf blessings to all!

OpenGate Fast: First Three Days

New! Posted January 4, 2008

What a time to gather together for fasting and prayer! History is being unfolded before our eyes. During the first three days of 2008:

- Presidential candidates Mike Huckabee and Barack Obama unexpectedly became frontrunners after the Iowa caucus, the first of the election year.
- Civil unrest has taken over much of Kenya and Pakistan.
- Citing international pressure, Israeli PM Ehud Olmert announced in a speech that dividing Jerusalem might be in the best interest of Israel. Much prayer needed!!!
- Years ago prophets shared that filling Bartle Hall would be a signpost that God is releasing revival. This apparently was fulfilled December 31 as 22,000 people flooded Kansas City's Bartle Hall, filling it to capacity for the Call Kansas City.

And guess what? We're not fasting alone! Our friend Tammy Woodward shared with us Wednesday that major missions movements and denominations in the body

of Christ have come together to fast and pray these 21 days! If that's not wild enough... knowing our passion for awakening... this fast is called AwakeningAmerica! Here's the link: www.awakeningamerica.us

In May the Lord spoke to us that He is releasing a new resonance of His voice—the sound of many waters—as streams merge into a river by the end of the year (*The Waters are Released*). I believe this AwakeningAmerica movement is a partial fulfillment of this word.

Here's a brief recap of the first three nights:

Tuesday: We began with lighting the MIHOP menorah, which happened to be under a painting of Jesus on the cross. As we dimmed the lights, it was as though the Lord was showing us His desire for the fast—that we encounter Christ and His gift to us afresh. Many received visions of scrolls with personal and corporate revelations. We ended with communion.

Wednesday: Jolene shared about an anointing of preparation, to build by the Spirit for future circumstances. Pastor Paul shared about knowing God's voice and having His affection for us as our foundation. Bonnie Frey gave a word I believe is foundational for MIHOP: *Set Me as a seal upon your arm, a seal upon your heart; for love is strong as death...*(SOS 8:6).

Thursday: Tammy Woodward led us in a powerful experience of God's heart as a Bridegroom. She shared on dancing with Jesus—allowing Him to take the lead, and responding to the nuances of His touch and voice. Many felt the presence of God in an unusually strong way. Holy Spirit began touching tender places of the heart— healing deep feelings of abandonment and deferred hopes. Jolene summed up the emerging heartcry by praying, *"We don't want any more meetings, God, we want our meetings to be dates with you!"* AMEN!

Jon & Jolene New MIHOP Directors

Posted November 12, 2007

On Sunday, November 11, MIHOP founders Donn and Marye Williams and Cornerstone Fellowship pastors Paul and Cheryl Black commissioned us as the new directors of the Maryland International House of Prayer (MIHOP). We then had the privilege of sharing about America's covenantal heritage in awakening at Cornerstone Sunday morning--11/11 being the 387th anniversary of the signing of the Mayflower Compact.

11-11 INTERCESSION AT MIHOP

In the evening we gathered with friends from throughout the region for our first regional prayer meeting at MIHOP. A major focus was the Annapolis mideast peace conference, tentatively scheduled for the end of November. Prophet Timothy Snodgrass had prophesied that on 11-11 God was drawing a line in the sand, and if our nation pushed for dividing the land and the city of Jerusalem we would be judged by calamities commensurate to this decision. For Timothy's full prophecy [CLICK HERE.](#)

Noting that Maryland is known as "OLD LINE STATE," we sought the Lord fervently TO HOLD THE LINE AND NOT DIVIDE ISRAEL, for preservation from judgment, and for President Bush and Condolezza Rice to receive God's counsel regarding this issue.

We will be holding regional intercession monthly at least until the election year closes in November 2008.

Lampstand Conferences

God wants to bring restoration of hearts and destinies to His people. Early in 2007 the Lord spoke to us, "I am resetting the lampstand and relighting the flame." We are planning conferences throughout the nation that will explore this more.
