CATALYST SCHOOL | JULY 5-10, 2010 | ALL WELCOME

NEVER BEFORE has the spiritual landscape of our world been so tumultuous. We face unprecedented demands. And unprecedented opportunities.

CATALYST School of Breakthrough is designed to equip you to meet these challenges. Modeled after Zechariah 3, CATALYST is an advanced school that combines mentoring, healing/generational deliverance, and real-time prophetic experience to advance you as a king and priest in your world. You will receive daily instruction and impartation from Randy Demain and Martin Frakena, with the assistance of Jason Hubbard & hosts Jon & Jolene Hamill.

Many subjects covered in daily classes are best suited for the mature in Christ. Therefore day classes will be limited to those in attendance beginning Monday, July 5. All are welcome for evening meetings.
