The word further shared that “In Gideon’s day, oppression was broken off of a nation through a midnight battle where a myriad of torches suddenly became uncloaked across a barren hillside. Many warriors—including Gideon at first—had previously assumed that the Lord had shown up a little too late to bring deliverance to a nation. History records He was right on time!”

At the outset of the election year, let's set a course for victory. It's not too late for our nation. Gideons, trim your lamps. It's time to LIGHT THE NIGHT!

LIGHT THE NIGHT PRAYER GUIDE

1. Establish a prayer watch, preferably from 8pm-midnight or later, in conjunction with your church or prayer room.
2. We encourage you to seek out trusted and seasoned leaders and intercessors to join you in the watch.
3. The focus of the watch is Jesus Christ and His desire for your region and nation. Make worship the primary activity!
4. Ask the Lord corporately to restrain the powers of darkness being empowered through Halloween.
 - a. Seek the Lord in identificational repentance where “we and our fathers have sinned” by embracing the occult.
 - b. Ask the Lord for His authority to be released to hold back the darkness.
 - c. Ask the Lord for strategy--i.e. prayer walks in conjunction with the watch, etc.
5. Ask the Lord to release Holy Spirit as the spiritual undercurrent and overarching influence of your region, and of the nation!
6. Pray for God’s will to be released in our nation at the outset of the election year. Pray for elected officials, and those running for office in your region, and nationally.
7. Pray for the Presidential election. Ask the Lord for leadership to be granted to America who love Jesus Christ, and are committed to establishing His desire for the land.
8. Our early forefathers, including the Pilgrims, committed the land and its government to *God’s glory and the advancement of the Christian faith* (words of the Mayflower Compact italicized). Come into agreement with this covenant and decree that this land and government belongs to Jesus Christ. Pray for a massive move of awakening--the advancement of the Christian Faith!
